

Why Zakopane?

Zakopane is a unique place. The town at the foot of the Tatra Mountains for decades it attracts with spectacular views and highland tradition. Mountain landscapes have always been the subject of inspiration for poets and painters. Scenery, unique wooden monuments and buildings are ideal for the wedding of the dreams.

*Why Grand Hotel**** Stamary?*

Let's move to Zakopane from the late nineteenth and early twentieth century. To a place visited by the artistic boheme, where elegant ladies in long dresses and elegant gentlemen spent less time on rautach, trips or work. It was here in 1905, on the main street of Zakopane, Hotel Stamary was erected, designed by Eugene Wesolowski, as the first example of the Zakopane style made in stone. Hotel name is the pseudonym of the first owner of the hotel - Warsaw's popular artist - Maria Budziszewska. Hotel renovated in 2005, with great attention to detail mentioning climate of the century Here you will find the beauty of historic architecture and solutions, providing convenience to your stay in our hotel.
